

Flames of Faith Ascending Prayers

January 1, 2014 ~ New Year's Day

The princes of the people are gathered together,
Even the people of the God of Abraham:
For the shields of the earth belong unto God:
He is greatly exalted !

Psalm 47:9

Dear Brothers and Sisters,

Grace and peace to you in the Lord Jesus. The signs of the second coming of Christ are all around us. Since this is true I also will speak only the truth to you. I recently completed a nine day fast. I say this only because some of you will have more respect toward what I am going to share if you know that I take prayer and fasting very serious. There is nothing more important during that time than to hear from the Lord. I hear; therefore I speak. I have to say that I am struggling with this even now because I know that what I am about to share will be hard for some of you to swallow.

In Luke Chapter 21, the Lord tells us starting in verse 34, "Take heed to yourselves, lest at any time your hearts be overcharged with surfeiting (in other...

...words, excessive over-indulgence), and drunkenness, and cares of this life, and so that day come upon you unawares.

For as a snare shall it come on all them that dwell on the face of the whole earth. Watch therefore, and pray always, that you may be accounted worthy to escape all these things that shall come to pass and stand before the Son of man (v. 34-36).

The Lord warns us over and over, "Be not deceived!" "If it were possible, they shall deceive the very elect." These words of our Lord are found in Matthew 24, Luke 21, and throughout the Epistles written by Paul. How do we know if we are in danger of being deceived? Well, ask yourself this question. "Have I fallen into the Abyss of Apathy?" Now that is a question for every one of us...

An abyss is described in the dictionary as a bottomless pit or hell. The Greek rendition of Abyss found in Revelation means, "an abyss as a prison." Keep that in mind as you may see a need to break free.

We are talking about the Abyss of Apathy. So what is apathy exactly? The dictionary says apathy is indifference, lack of interest, and may imply great absorption in one's own affairs, or being merely callous or unconcerned and unwilling to become involved to the point of being sympathetic, sensitive, or interested.

This is the point of danger. Standing on the precipice of the abyss while everything Jesus warned us about swirls around us like a whirlwind and we are totally oblivious. Jesus tells us in Matthew 24:43-44, "But know this, that if the good man of the house had known what watch the thief would come ...

...he would have watched, and would not have suffered his house to be broken up. Therefore be ye also ready: for in such an hour as you think not the Son of man cometh." In Matthew Chapter 25 Jesus continues to explain by telling us about the ten virgins waiting for the Bridegroom. Five were wise but five were foolish. Five were ready but the other five had let their lamps go out. The wise virgins would not let that happen. His return was too important to them and they made sure they were ready. The foolish were in the Abyss of Apathy. The pit of indifference. Until it was too late.

Behold, He comes with clouds; and every eye shall see Him, and they also which pierced Him; and all kindred's of the earth shall wail because of Him. Even so, Amen ~ Revelation 1:7 ~

9.0 earthquake strikes Fukushima, Japan on March 11, 2011 and causes Tsunami that creates a wave 62 feet tall and destroys 6 Nuclear Facilities.

The nuclear rods in Building No. 3 have melted through the concrete and into the earth and continue to radiate everything far and wide. They cannot stop it.

They have been spraying ocean water on it day and night for over 2 1/2 years trying to keep it cool. In October of 2013 another earthquake struck the same region. It was a magnitude 7.3 cont...>

The ocean water that is sprayed over the building takes millions of gallons non-stop. They have tried to contain the run-off in barrels but millions upon millions of gallons pour back into the ocean. The air is highly radiated as well. It is a disaster unlike anything we have ever seen. Estimates are 100,000 times worse than Chernobyl. The citizens of Japan have been prohibited from sharing any information and there has been an internet/facebook/tweeter blackout. Japan recently made it against the law for their journalists to report any information. On the west coast of the U.S. and Canada there is horrible news. The fish are dying by the millions. They are covered with sores and bleed from their gills and eyes. The whales seem to be missing and ones that are seen have tumors. The Starfish have turned to mush.cont. . . . >

1000 Dolphins have died off the East Coast while 50 pilot whales have beached themselves along the gulf coast of Florida. Birds are dropping dead along the Pacific West and now in Utah 20 American Bald Eagles have died. Radiation is being monitored but not reported. The radiation buoys in the Pacific Ocean have been turned off. You do not hear of any of this from the mainstream media. Nuclear Building No. 6 is leaning because the water has softened the ground and it cannot support the foundation anymore. They do not know what to do. This week, China has stopped all imports of fish or seafood from the West Coast of America. It is banned for consumption. This is where we get most of our tuna and salmon.

DO NOT Eat the Fish !

Things that Stand Out

I decided that I had a choice. I could tell you all these things and be very wrong. And that would be okay with me because if I tell you all these things and I am right then you will not be taken unaware as things develop. He warned us. Saying that unless those days be shortened no flesh would survive. When do you think He was talking about? Do you honestly think He is going to wait another thousand years? How about 100 years? Please do not stand on the precipice of the Abyss of Apathy. It is not enough to continue your life as though He will not be coming soon. Are you listening? You that have ears to hear. Hear what he is saying! What would you say if I told you the rest of what I have seen when what I have told you is plainly before you and...>

and you have not seen it? There is more but the Lord will not allow you to know something that you cannot believe because you want to see it before you believe it.

Lord? This is a hard word. "Yes," He says. "But there is a shaking coming and they are not prepared." I know Lord but I am concerned they will not receive it. "He that has My Word let him speak My Word faithfully. What is the chaff to the wheat?" says the Lord.

This I speak faithfully and truly in love and in the Name of the Lord my God, Jesus,
